SERVANT PARTNERS

CATALYZING *Under-resourced* LEADERS

STAFF CATALYST FUND

The Staff Catalyst Fund provides support for our staff without their own networks to get their feet on the ground. We provide coaching to build and maintain sustainable support networks of their own, so they can remain fully rooted in their communities and thrive in ministry for the long term.

“We are from the community, speak the language, understand the culture, & know how to connect with others.”

-Annabel Leyva, SP Staff, San José
